Bay Area Arabic Academy is a Fremont and Newark Unified School District approved Arabic language program for high school and junior high students. This program is designed to teach Arabic as a Foreign Language to public school students in Fremont, Newark and Tri-City areas. This 3-level Arabic language program, from which hundreds of students have graduated till date, has been successful running over last 7+ years. We are looking for Arabic teachers for academic year 2022-2023 and 2023-24.

Requirements

The ideal candidate will have CA teaching credentials, have at least a bachelor’s (preferably master’s) degree in Arabic language and will have several years teaching experience for students from grades 7 thru 12. They must be literate and fluent in Arabic language and have awareness of culture and history of the Arabic speaking world.

- Must have work permit and authorized to work in US
- Must have CA teaching credentials
- Minimum Bachelor's degree (Preferred Master’s degree) in Arabic language
- Several years of demonstrated teaching experience

Responsibilities

Instructor will work in collaboration with instructors and deliver a coordinated classroom instruction to prepare the students for smooth transition into higher Arabic grades in this 3-year program.

- Conduct an immersive, engaging Arabic study program
- Flexible teaching style that is easily adaptable to different levels and types of students
- Provide instruction in Arabic grammar, spelling, pronunciation, vocabulary and composition
- Help students communicate and understand the Arabic language and encourage them to practice vocabulary they’ve learned during the class and assist them in accurately listening, speaking, writing and reading Arabic
- Teach students about Arabic language literature, culture and history
- Create engaging lesson plans; plan classroom activities to motivate students; preparing visual aids; grading homework and exams
- Evaluate student progress and adapt classroom teaching methods based on their performance
- Develop an appropriate syllabus to the class level and student needs per Arabic language guidelines, in guidance and collaboration with other instructors

Compensation

Competitive market rate compensation will be provided

We also have a professional development program that runs throughout the year for all our teachers.
